AMAS

AMAS (Aerospace Management ApplicationS) is an innovative solution of web-based applications to solve the daily challenges of compliance within the aerospace industry.

AMAS is developed by independent Swiss-based AeroEx and its worldwide network of leading subject matter experts.

AMAS delivers the best time-saving and efficient digital solutions that make compliance monitoring management processes easier and more reliable than ever.

The AMAS suite of applications is the most comprehensive aerospace management system. It gives users easy access to complex regulatory and legal content, and simplifies compliance monitoring management processes to make them simpler and more efficient.

AI – AEROEX INTELLIGENCE

AeroEx combines aviation specific knowledge and know-how with advisory services tailored to the customer's needs.

AMAS digitizes compliance by transforming human knowledge and experience into digital solutions.

AeroEx big data generated by the AMAS platform, AMAS users and third parties, in order to issue, for example, predictions on what the next audit will be about, or how to improve documentation.

- ✗ **Automated intelligence**

Automation of manual/cognitive and routine/non-routine tasks

- ✗ **Assisted intelligence**

Helping people to perform tasks faster and better

- ✗ **Augmented intelligence**

Helping people to make better decisions

A photograph of a modern office interior. In the foreground, a curved glass conference table is partially visible, with several black ergonomic office chairs arranged around it. On the table, there are some papers and a glass of water. In the background, large windows offer a view of a city skyline with various buildings.

AEROEX CARES ABOUT YOU:

Customer-centric: Committed to supporting you

Accountable: We back you up and willing to go the extra mile for you

Reliable: You can count on us

Essential: We add value and in everything we do

Solution-oriented: We are able to deliver timely and customized excellent solutions

The Aeroex logo is located in the top right corner. It consists of the word "aeroex" in a white, lowercase, sans-serif font, followed by a stylized white 'X' that has a slight shadow or gradient effect.

aeroex

The background of the slide is a photograph of a white Aeroex aircraft flying over a thick layer of white clouds. The sky above the clouds is a clear blue with some light, wispy clouds. The aircraft is positioned in the lower-left quadrant of the image, flying towards the right. The overall scene is bright and clear, suggesting a high-altitude flight.
